

# LADDER GUARD

## Model LG-1210

The *LADDER GUARD* was designed as a temporary protective cover for ladders on a work site that may not be in use from time to time during the day. It acts as a safety deterrent to keep children or others from harm.

- The *LADDER GUARD* is made of heavy 18 ounce UV treated laminated vinyl, and is sun and water resistant.
- Each *LADDER GUARD* is equipped with hook and loop edges for securing it to the ladder. (See *above diagram*)
- Unit is 12" wide by 6' long. It comes printed with a bright red warning of "KEEP OFF"
- "PROPERTY OF (Company Name and / or logo)" can also be printed at no extra charge, per unit. A one time plate fee will apply.
- Can be made to fit any size ladder.
- Unit rolls up for easy storage.
- Custom sizes and printing available
- Part No.: LG-1210
- Color: Safety Yellow w/Black Print
